#### RE: NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION FOR THE MOABI REGIONAL PARK IMPROVEMENTS PROJECT

Dear Reader/Reviewer:

The Initial Study (IS) for the proposed Santa Ana River Trail (SART) Phase I Project is available for public review and comment. The purpose of the document is to identify and describe the probable environmental impacts that would result from implementation of the proposed project. The proposed project is to be located approximately 10 miles south of the City of Needles, along the Colorado River, within the existing Moabi Regional Park.

The document has been prepared to meet the State requirements of the California Environmental Quality Act (CEQA). The County proposes to adopt a Mitigated Negative Declaration for the project.

The public comment period will end on November 15, 2004. For further information, please call 909-387-4147. Written comments should be addressed to:
